To

T Ananda Rao, Esquire, B A
Dewan to H H the Maharajah
of Mysore

Sir,

I have the honour to forward herewith a letter that speaks for itself and to request that you will be graciously pleased to accord your kind sanction to the proposal therein indicated

I believe the statement made by the petitioners with regard to precedents to be strictly accurate It will suffice to mention one precedent When the late Mr B M Leonard was transferred some quarter of a century back from the Principalship of the Maharajah's College to the Principalship of the Central College, he was presented with a farewell address and also with a souvenir in the shape of a gold watch

I have the honour to be
Sir,
Your most obedient servant
A Rudolphus
Professor

To

A E Adolphus. Esq. B A.

Professor of English

Maharaja's college

Mysore city

Dear Sir,

We, the undersigned, being the monitors and as such the spokesmen of the various classes of the college, desire your kind assistance in the following matter

As the Principal, Mr J Weir stands transferred to Bangalore on promotion and will leave us shortly, there is a strong and genuine desire on the part of the students and pupils — a desire we have reason to believe shared in by ex-students of the college - to present him with a valedictory address testifying to our humble and candid appreciation of his work in and for the College and to beg his acceptance of a small memento of his connexion with the

Institution we all love so well and to which we are proud to belong

Further, as we are given to understand that we cannot proceed to translate our desires into action without Government Sanction and as we are diffident of setting about procuring this ourselves in person, we beg that you will come to our aid, and kindly represent matters to the Dewan Bahadur with a view to obtaining his gracious Sanction for our movement – a movement in favour of which more than one precedent can be cited

We remain,
Dear Sir,
yours obediently
